Uganda	TBD	TBD	TBD	TBD	TBD	TBD	TBD	TBD	TBD	TBD	TBD	TBD	TBD

*All cost estimates and responses are based on past experiences by World Water Corps volunteers. Prices are subject to change and accomodations and access to services are subjective and may change as well. Cost estimates are based on a two-week trip.

**Most of these estimates are based on returning to the main city. From time to time, WWC volunteers do stay in the field, in much more basic accomodations, ranging from simple guest homes, to community partners'
